TO ALL DE SOTO DEALERS:

A new steering knuckle arm and key recently entered production on all 1956 De Soto models, involving the following part numbers, effective with car serial numbers shown:

- 1639365 Key - Steering Linkage Knuckle Arm
- 1732364 Arm - Steering Linkage Knuckle Right
- 1732365 Arm - Steering Linkage Knuckle Left

- EFFECTIVE POINT SERIAL NUMBERS -

- S-23 -

64032191

50385508

- S-24 -

62050156

This change can be identified by the new square-shaped key, used in assembly of arm to steering knuckle, instead of the previous half-moon shaped Woodruff key.

The new key and related parts above are not interchangeable individually with previous parts.
